Mental Health Week

As part of mental health awareness week, Y6S have explored nature through their senses whilst sat around our Willow Tree.

Exploring Nature in Foundation

This week we have enjoyed exploring nature in our outdoor area. We have discussed what we mean by nature and how being in the natural environment makes us feel. Some children have enjoyed finding flowers to leave for the fairy who has been visiting us with learning challenges.

Poetry Performance

This week, Y1M have been exploring poetry. On Wednesday they looked at how they could use their voice when performing poems.

On Thursday they tried putting actions with their poems, using our teamwork skills to work together and our creative skills to create the actions to go with the words.

Take a look at our brilliant performances on the school website!

Raring2go!

Please find the link to our latest magazine for parents / carers during May half term and beyond. <https://magazines.raring2go.co.uk/sheffield/spring/>

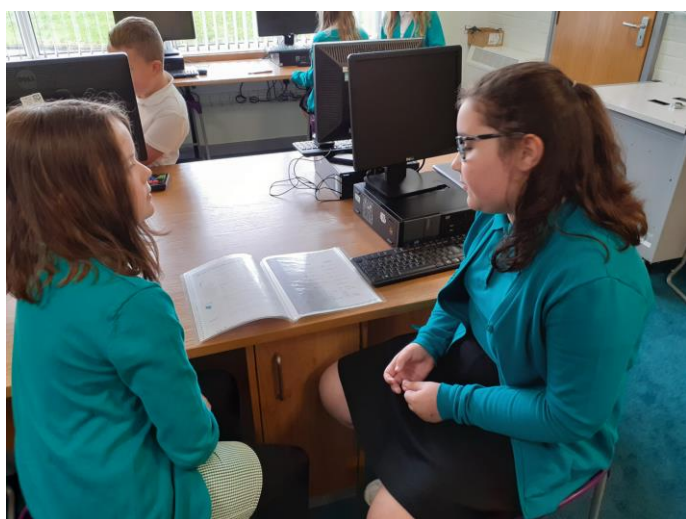

Due to the ongoing restrictions, our local Raring2go! Sheffield & Rotherham magazine is still digital for Spring May half-term but should be back in print for the Summer (fingers crossed).

Willow Tree Warriors

Our task today was to use other perspectives and job roles to decide how we would interpret social media posts. The children looked at three made up characters and different social media posts and put themselves in the place of a teacher, police officer, child and a parent.

They realised how different one post can be seen from someone else's point of view and found it really interesting

Do Age ratings matter?

In Year 3B in PSHE and RHE learning we discussed the age ratings of video games and popular social networking websites. We used our critical and creative thinking skills to share our thoughts and opinions and rate each of the games to be suitable or unsuitable, arranging them into the hoop we agreed with.

Who's that trip trapping over my bridge?

In Acorns children had a challenge to find some waterproof material to make a coat for the troll to keep him dry when he fell in the river. Working as a team we worked out he needed a plastic coat.

LEAF centre

On Thursday 27th May we are doing an sponsored obstacle course to raise funds for the LEAF Centre. Your child will bring a sponsor form home, please return this on the 26th May. Please look out for this letter.

Half Term

Please note the last day of school will be **Thursday 27th May** and school will reopen on **Monday 7th June 2021**.
