Picnic in the Sun

Last week children in Y1/2 chose chilled choice for their lunch so they decided to have a picnic outside and they all loved it. They hope to do it again soon ..

Mindfulness Club

On the 15th Mrs Jenkinson and Mrs Cliff very kindly ran art club for Y1/2. Children went to the nature area to collect natural resources and then used them to create a piece of art.

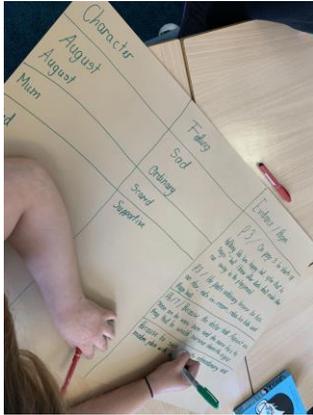

Year 3/4L Science Learning

Y3/4L have been designing high visibility jackets as part of their work on light in Science.

Year 6 read Wonder

Y6 have enjoyed unpicking and evidencing the feelings of characters in the first few chapters of Wonder.

Y4/5 How the body works

As part of our new topic, we have been learning about the different body systems. We have learnt about how the nervous, muscular and skeletal systems work together to help us move.

Beat the Street

This is an exciting family competition that started after Easter where you can walk, run, cycle, scoot around Rotherham earning points for yourself and your school. Children brought home a fob (for children) and a credit card (for adults) to swipe on beat boxes across Rotherham. Please visit the website to find out more

Subtraction Maths Treasure Hunt

Last week in maths the Year 1's went outside to complete a maths treasure hunt. They had to find the subtraction calculations and then use their number line to work out the answer before they found it. They had a great time!

Y3/4L P4C Through the Window

The children of Y3/4L spent their afternoon reflecting on the past year and how many of us have spent our time at home watching the world go by. The children worked in groups looking at the different scenes from the book 'Through the Window' and spoke passionately about what they want their future to look like.

Pastel Great Fire of London

This week we used pastels to recreate scenes from the Great fire of London. We thought carefully about which colours were best to represent the flames.
