The importance of Sleep

Our colleagues at With Me in Mind are very excited to be offering a parent workshop on Understanding the Importance of Sleep. This 60 minute virtual workshop is aimed at parents of primary school aged children where parents will gain knowledge of the Importance of Sleep as well some useful tips to encourage a positive sleep routine.

The workshop will be offered on Monday 29th March 2021 at three separate times via the below Zoom links.

KS1 Dash for Cash

On Friday the children set out on their dash for cash after gaining lots of motivating tips from Rotherham United's Joe Mattock on a zoom the day before!

The children successfully managed to continuously run the course for a whole hour! It was fair to say that everybody, including the staff, the support team from RUCST and even Mrs Cook needed a drink afterwards.

All the funds raised from the sponsors are going towards building an outdoor classroom for KS1 where all subjects can be promoted.

I would just like to thank everybody for all of your support, sponsors and tips! Our total up to now is £1237 !!. THANK YOU.

Morrisons

Once again Morrisons has supported our school, a big thank you to Jenny Exley of Morrisons supermarket for donating prizes of Easter eggs and for donating a Creme egg for each child in school.

After School Clubs

Y1/2R has recently restarted craft club. This week they created some lovely dream catchers using paper plates, wool, beads and feathers. They absolutely loved it and can't wait to see what next week brings!

Y6S loved after school SEMH club today. We explored teamwork and tactics and put them into practice in a tag rugby/capture the flag style game.

Beat the Street

Children have taken part in an exciting assembly this week about Beat the Street. This is an exciting family competition starting after Easter where you can walk, run, cycle, scoot around Rotherham earning points for yourself and your school. After Easter children will come home with a fob (for children) and a credit card (for adults) to swipe on beat boxes across Rotherham. You will be provided with maps to help you find them. Please visit the website to find out more <https://www.beatthestreet.me/>

My Strong Mind

On the 22nd, Y5/6AG held a P4C session after reading the story, My Strong Mind. After working in pairs and groups to refine our questions, the class had a silent vote and chose to discuss: Is it okay to be mean to others, if they are mean to you?

The children used the sentence stems on our P4C display to support them in making caring, collaborative, creative and critical comments.

Red Nose Day

Thank you to all children and staff who came dressed in red last Friday to raise funds as part of Red Nose Day. As shared previously Red Nose Day is to support vulnerable young people and all money raised from events such as this will be supporting the building of the Willow Tree LEAF Centre which will support young people in our community. Thank you, we raised £194.

Easter Celebrations

This week children have been learning all about the celebration of Easter. Children in Foundation Stage took part in an egg rolling competition, whilst children in Y3B reenacted Palm Sunday, waving Palm leaves as Jesus passed on a donkey. Children's learning was shared in assembly and a video of the outcomes is on our school website, please take a look. Children also had a special visitor who left all children a creme egg!

We look forward to seeing everyone back at school on 12th April.
